Accomplishments Report | 2019

The vision of Surprise Valley Education Foundation is to enrich educational opportunities for children living in the Surprise Valley community.

A Message from The SV Education Foundation Board:

The Surprise Valley Education Foundation Board would like to extend a sincere Thank You to everyone who donated to our Non-Profit organization to benefit the enrichment of children in Surprise Valley in 2019. Due to your generous efforts, in 2019, we were able to give Surprise Valley Joint Unified School District \$1,000 towards the K-7 incentive trip, we granted a \$1,000 scholarship to a graduating High School Senior, we gave \$122 towards the Music Program and \$644 to the Parent Action Club for Honor Roll Breakfasts. However, by far our biggest donation was \$33,000.00 to purchase a playground for the newly combined site of SVJUSD.

Our total grants and scholarships came in at a grand total of **\$36,766.00!**

Because of your continued support and enthusiasm in bringing enrichment experiences to children in Surprise Valley, we are able to continue our efforts to support the children in this amazing community. So, Thank You Supporters!

I would like to also personally thank the amazing women who serve on this board by my side, for the countless hours they dedicate to this cause. It is inspiring to be surrounded by such passion and such wonderful energy. You are the driving force that enables us to continue this Foundation and I am honored to be a part of it!

Surprise Valley is a magical place and our way of making sure that is passed down for generations to come, is with your support. Near and far. So again, Thank You for making our accomplishments this year possible. We could not have done it without your help!
